Service Guidelines

- A service project must consist of time you donate to the community. You may not be reimbursed financially for your time.
- Activities that assist your immediate family may not be considered as service hours.
- Service Hour verification forms may not be signed by family members or a student.
- Consider the Corporal Works of Mercy as outlined in the Gospel of Matthew 25:34-40 as well as the Spiritual Work of Mercy to “Share knowledge” and “Comfort those who suffer” when choosing service projects. Any service at the Parish will also count as Building the Kingdom of God.
- **Projects that extend over multiple days such as the summer mission trip and spring break FIA will count for all three projects.**

To record your hours, take this form with you to your service project and have an adult leader fill out and sign where indicated.
